

265 SS

All the comfort and convenience you could ask for afloat; that's what the 265 SS is all about. Its enclosed head features a holding tank, sump pump, sink and custom counter top. There's loads of cockpit storage room, an upgraded Sony stereo system that is XM/Sirius ready and fully integrated docking lights.

Optional black vinyl wrapped helm with Executive black steering wheel, Sony performance stereo and full instrumentation with stainless steel bezels.

Optional transom with self-storing wash-down. Shown are stainless steel pull-up cleat and optional splash-proof stereo speaker.
